***Mission Statement:** The Mission of Life Choices Resource Center is to promote and defend the sanctity of all human life, born and unborn, through the provision of abortion-alternative services and resources that empower mothers and families to CHOOSE LIFE. We provide loving help, hope and healing, recognizing that each human being is made in the Image and Likeness of God, and we value each LIFE as His GIFT.*

The Enemy Is at the Gate

In recent months, the attacks against crisis pregnancy centers and the pro-life cause have intensified. A number of bills are currently advancing through our state legislature that can have a stifling effect on the work we do and increase the number of children lost to abortion in our state. In **2025**, our nation lost **1,125,930** babies to abortion—each one was a life that mattered. In New Jersey alone, **61,490** babies were lost. Let that sink in: over **1.1 million innocent lives** gone in a single year. This is more than a number; it represents real loss, real grief, and a reality we cannot ignore. We must respond with urgency, compassion, and care for **every life** affected—babies, mothers and fathers. **ALL** of them.

Bills like A1679 which target faith-based pregnancy resource centers by classifying certain advertising practices as “deceptive”; A1970 which creates interstate alliances to increase abortion tourism; and A4074, which mandates a state-issued “Reproductive Travel Advisory” to discourage residents from traveling to states with strong pro-life protections — are being proposed to not only enshrine and promote abortion in the state, but also to harass pro-life pregnancy centers dedicated to helping mothers with the resources they need to **choose life**.

And that harassment has already begun. We have been fielding calls on our hotline from malicious individuals trying to entrap our well-trained, compassionate consultants. But we are always very clear in our communications, we are a faith-based pregnancy center, and we **CANNOT** and **WILL NOT** provide or refer a woman for an abortion **EVER**. We are here to give evidence-based information so our clients can make a healthy, informed choice.

“Despite these increased attacks, God still trusts us with this important work,” explains Christine Riggio, Director of Operations. “Just last week we had two walk-ins. We’re still **saving lives** in the midst of this. Our hearts and hands are not discouraged, we trust.”

Now more than ever, we need your prayers and your **action**! We’re asking all of our pro-life warriors to sign up at **Gardenstatefamilies.org** and **NJRTL.org** to receive current-action text messages. Whenever new legislation is introduced that is antiethical to life and/or parental rights, you will receive an alert. They also provide an easy way to contact your representatives. Often taking action takes as little as two minutes. Just two minutes can quite literally mean the difference between life and death for countless children in our state.

The venerable Archbishop Fulton Sheen once noted, “The tragedy of our time is that those who still believe in honesty **lack** fire and conviction, while those who believe in dishonesty are full of passionate conviction.” The father of lies and his minions are out in full force, seeking to destroy all that is good, beautiful, and true — namely, **God’s** most precious creation — **HIS** children. We must *not fear* and we must *not cower* in the face of this evil onslaught.

Please help us continue to fight for the voiceless and the innocent.

Join Our Student Ambassadors Program! (Open to students in grades 6-12)

We are inviting **YOU** to be part of something meaningful!
We're building a team of passionate students who want to
make a real difference by standing for life and supporting one
another with compassion and courage. We understand that
being a young person today isn't always easy—and you don't
have to face it alone.

Come be part of a supportive, encouraging community where
you are seen, valued, and accepted just as you are. Together,
we celebrate the beauty of every life, build lasting friendships,
and grow into a generation that chooses love, kindness, and
respect for all.

You are unique. You are valuable. You were created with
purpose—just the way God made you. Be part of a
generation that speaks up, shows up, and stands up for life.

Dear Friends,

Our LCRC 2026 Banquet was a success with 282 joyful souls joining together to celebrate our Nation's **250 years of LIFE, Liberty, and the Pursuit of Happiness**. We are so blessed with our volunteers and supporters! Thank you for your generosity, perseverance and faithfulness.

Because you are our family, it is important for us to be vigilant about what is going on in our state of New Jersey. As of April 2026, New Jersey legislators are advancing legislation to penalize crisis pregnancy centers (CPCs) for "deceptive advertising," while a separate, legal battle over state investigations into these centers has actually reached the U.S. Supreme Court.

Life Choices Resource Center has served women, men, children, and families in New Jersey *since 1985*. Our work is rooted in respect, dignity and practical support. The proposed legislation threatens to limit and eliminate the **FREE** services that thousands of women have relied on – from pregnancy tests, consultations, material assistance and referrals.

LCRC is asking you to take a moment to make your voice heard. Legislators need to know that New Jersey residents value the work of CPCs and oppose measures that will hinder our ability to serve vulnerable women and families. Find out who represents you in your district and place their contact in your phone. When there is an alert, please act by calling your Senator and/or Assemblyman. **Your voice matters**. When supporters speak up, lawmakers take notice.

Thank you for standing with **Life Choices Resource Center** and for helping ensure that our mission continues for years to come!

God Love You,
Jo Ann
